In Loving Memory  
Of  
Susie LeBeau

I can only imagine  
how beautiful  
heaven must be  
as heavens beautiful  
gates opened up for  
you.  
As you stood there  
with your  
bright smile & beautiful  
soft angel wings.  
I can only imagine  
how happy heavens angels must be.  
I can only imagine  
how happy grandma jean must now be.  
As she stood  
at heavens gates waiting to reunite with you.  
Your home now  
& set free  
back with your loved ones.  
I can only imagine how beautiful heaven must be,  
because they now have you...  
Our hearts are forever broken & shattered  
into thousand pieces  
without you.  
You left us without a single word or goodbye.  
Nothing but your beautiful memories  
are all we are left with.  
We will always  
&  
forever think of u.  
Your memories will  
always be locked  
away within our  
hearts  
i can only imagine  
how beautiful heavens  
view must be...  
When my heart  
gets lonely  
and my tears start  
to fall for u  
please send me  
a sign to let me  
know you are there.
