In Loving Memory of our Wonderful Dad

One of the special gifts in life however great or small,
to have you as our Dad was the greatest gift of all.

May the winds of love blow softly and whisper in your ear
“We love and miss you Dad and wish that you were here”

Deep in our hearts, your life is kept to love and cherish,
not forget. No more tomorrows we can share
but yesterday are always there.

A silent thought, a secret tear keep your memory ever near
in our hearts forever.

In Memory of my Grandpa

If I could write a story It would be the greatest ever told
Of a kind and loving grandpa
Who has a heart of gold

If I could write a million pages But still be unable to say,
just how Much I love and miss him Every single day

I will remember all he taught me
I'm hurt but won't be sad Because he'll send me
down the answer and he'll always be
MY GRANDPA
