The background of the entire page is a photograph of a motorcycle in the foreground, slightly out of focus, with a scenic landscape in the background. The landscape features a dirt road or path leading through a field towards distant mountains under a clear sky. The motorcycle's engine, handlebars, and front wheel are visible in the lower half of the image.

I'm Free

Don't grieve for me, for now I am free.
I am following the path God has laid for me.
I took his hand when I heard him call,
I turned my back and left it all.

I could not stay another day
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I found that peace at the close of day.

If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Oh Yes, these things I too will miss.

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored Good friends,
Good times, a loved one's touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee
God wanted me now; He has set me FREE.
