Life's REFLECTIONS

On June 14, 2005, Melzina "Kizzy" Love and Lavell Doolin welcomed their beautiful, vibrant flower, LaVetta Adrianna Doolin, affectionately known by her family as "Vetta Jean." LaVetta was the third of four children born to her mother and brought a special light into the lives of those who loved her.

LaVetta experienced tremendous loss early in life. On March 13, 2012, at the tender age of six, she lost her mother, Kizzy, and at age ten, she lost her father, Lavell. On the very day her mother passed, LaVetta asked her Auntie Keysha—Kizzy's little sister—and Uncle Ibn if she could come home with them. From that day forward, ReKeysha "Keysha" Belcher-Abdullah and Ibn Abdullah became her earthly parents, and LaVetta became their daughter and seventh child. She was surrounded by a village that loved, protected, and embraced her as their own.

Vetta Jean was kindhearted, funny, and very private. Those who truly knew her knew the beautiful heart behind her quiet nature. LaVetta attended the Raytown School District and later earned her high school diploma through Job Corps in Excelsior Springs. Her compassion for individuals with intellectual and developmental disabilities led her to become a caregiver with The Arc of the Ozarks, where she cared for and supported individuals with disabilities.

LaVetta was preceded in death by her mother, Melzina "Kizzy" Love; father, Lavell Doolin; brother, Alfonza P. Blair; grandfather, Jerry "The Love Doctor" Love; maternal great-grandmother, Berneithia McDaniel; and paternal great-grandmother, Lois Taylor, We find comfort in knowing they were there to welcome our beautiful Vetta Jean through the gates of Heaven.

LaVetta leaves to cherish her memory her sisters, Unikque and Davetta; her earthly parents, ReKeysha "Keysha" and Ibn; siblings, Lorenzo (Ronnieka), Imani (Lowell), Ke'Mya (Niara), La'Ron, Te'yah, India, De'Shon, Janae, Jericka, and Jah-vion; godson, Jah-More; grandmothers, Evelyn and Pamela; aunts and uncles, Bernadette, David, Evelyn, Jericka, Latisha, and Edwina; great-aunts, Berneithia (Ardis), Mary, Connie, and Sharon; and great-uncles, Aric, Jewell, Alvin, Nathaniel Sr., Maurice, Joe, Howard, and Vincent.

LaVetta also leaves to cherish her memory additional siblings through her father, along with a host of aunts, uncles, nieces, nephews, cousins, extended family members, and loved ones.

LaVetta's life was far shorter than anyone who loved her could have imagined, but her life will not be measured by the number of years she was given. It will be remembered through the love she gave, the laughter she brought, the lives she touched, and the family who will forever carry her in their hearts.

Our beautiful Vetta Jean has left this earthly garden, but the love she planted here will continue to bloom in each of us.

Dear Big Sis,

I still can't believe you're gone. Some days it feels like I'm going to wake up and everything will be back to normal. I miss your smile, your laugh, your voice, and all the little moments we shared together.

You were more than just my big sister—you were someone I looked up to, someone who made memories with me, and someone who will always have a special place in my heart. I wish I could have one more conversation with you, give you one more hug, and tell you just how much I love you.

Even though I can't see you anymore, I carry you with me every single day. Your memory will live through me, and I'll continue to love you, remember you, and talk about you.

I hope you're at peace and know how deeply you are missed. Thank you for every memory, every laugh, and every moment we had. I'm forever grateful that I got to call you my big sister.

I love you forever, Sis.

Always loved, never forgotten. 💗🕊️

Have Your Sleep

As a child so full of imagination
As a woman full of determination,
Miss independent so resilient they say.
You made your own way.

So loved by many, because you
carried yourself with delight,
very quite but they didn't want to
see the other side.
Never wanted to be a bother
your secrets you would hide.

Nevertheless you were a success.
You had Finesse better than the rest.
So beautiful inside and out .

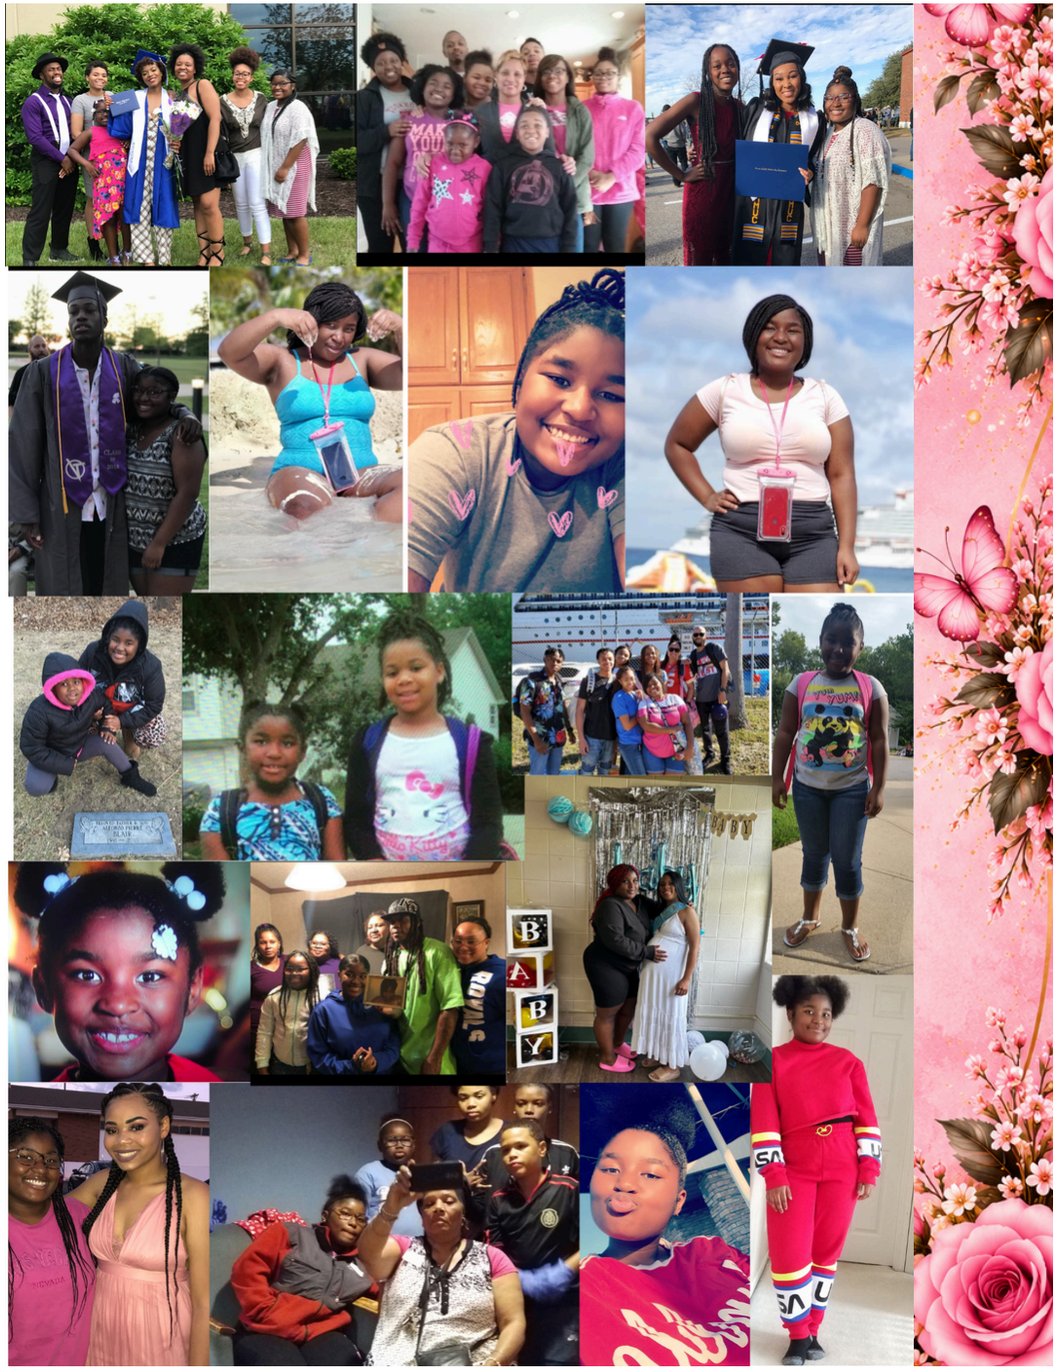

God called you home and we all had
doubts God what is this meeting
all about? to finally be free
she is free indeed now you went home
in your mother's arms you were greeted.

Rest in peace beautiful have your sleep
we will miss you always but
your memory we will keep it.
