

The Man Who Fixed More Than Cars

*He fixed more than metal, paint, and scars,
he saw the story in broken cars.*

*With steady hands and a caring heart,
he turned hard endings into fresh starts.*

*He lifted spirits, eased life's load,
with honest work and a gentle soul.*

*Though he's gone, his touch remains
in mended hearts and shining frames.*

Calvin A. Brummer, father of three, departed from this world on January 12th, 2026. He succumbed to complications of his old age, entering his eternal slumber at Trustwell Assisted Living, Kansas City Kansas. Calvin is preceded in death by his wife, Katherine (Reist) Brummer, his father, John, his mother, Carolyn (Koster) Brummer, as well as his brothers, Laverne, Duane, Kenneth, and Dennis, as well as his sister, Madonna (McInroy.) Calvin is survived by his 3 children, Calvin JR (Connie), John (Amy), and April. He is also survived by his sister, Danielle (Gene) Nuanes, 10 grandchildren, 8 great-grandchildren, numerous nieces and nephews, countless friends, as well as his beloved dog, Missy.

Born on June 12th, 1943, he spent his whole life working with his hands. There was not a single problem Calvin couldn't try to fix. His love for handiwork as well as his love for socializing led to the opening of his body shop, C&R Body Shop. Calvin had many hobbies. Of those hobbies, the ones closest to his heart were grilling, gardening, landscaping, travelling, and woodworking. Calvin lived the majority of his life in Beloit, Kansas, where he was known by just about everyone. Those who were well acquainted with him also knew there was almost nowhere that he would be without his beloved Missy.

Calvin shall be laid to rest at St. John's Cemetery, in Beloit Kansas, next to his wife, Kay. A life full of love, his love shall keep living through all the memories he made with hundreds of people.

After the funeral has come to a close and burial taken place, a reception will be held at the Knights of Columbus, and all are welcome to attend the reception.

Memorials may be given to the Brummer Education Fund for his Great-Grandchildren.
