Terry Jueth, 67, Bismarck died on January 1, 2025 unexpectedly at his home.

Terry was born April 19, 1957 in Bismarck, North Dakota to Lee and Sue Jueth. He was a graduate from Bismarck High School and earned his Electronic Technology Degree from Wahpeton State School of Science (NDSSS). Terry worked various jobs in his early years from: the Bismarck Tribune, JC Penney Automotive, Dakota Music, bartending at the Legion Club to traveling with the band Prankster doing their lights and sound. It was his love for electronics that led him to work for the City of Bismarck Public Works Department Street and Traffic Light Division. He spent 19 years with Bismarck Public Works from 2002 until his retirement on August 5, 2021.

Terry enjoyed all forms of racing. He attended many World of Outlaws Sprint Car Races and NHRA Drag Racing Events where he was surrounded by many family and friends making many endearing memories. He also experienced the thrill of attending the Barrett-Jackson Auction in Arizona. Terry loved the outdoors from hunting and fishing to just cruising in the country. He became an avid deer hunter only after cruising one night in his GTO a deer jumped out and smashed the front of his car. From that day on he did not miss an application to get his deer license.

Terry's true enjoyment was all about his cars. He was very proud of his '66 Pontiac GTO that he purchased when he was about 21 years old. Through the years he restored it from the ground up to his specifications. He won multiple trophies from car shows and two prestigious trophies at the World of Wheels Car Show. He loved getting together with all of his classic car enthusiasts at the yearly week of buggies and blues and attending all of the car shop tours. Terry was avid member of the Moose Club and enjoyed many events and social hours. Unfortunately, he leaves behind many fraternal friends. Anyone that Terry met considered him their friend. He did anything he could for everyone.

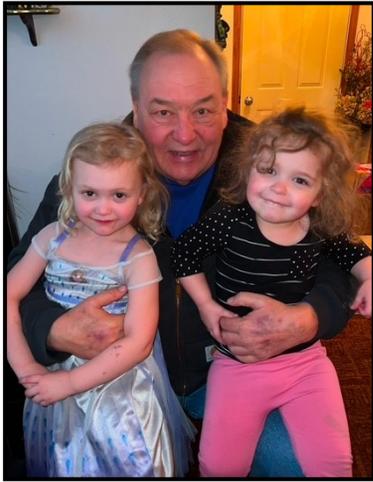

Terry is survived by his brother, Todd (Vicky); sister, Tammie (Kirk); two nieces, Amanda (Danny), Kelsey and two great nieces Ember and Gabriella.

His love for family was endless. His biggest smiles were when he was with his nieces, watching them grow into beautiful women, and enjoying the spirited energy of his little great-nieces.

Beyond all was Terry's love of God and family.

In lieu of flowers please consider a donation in Terry's name to Furry Friends Rockin' Rescue PO Box 7364, Bismarck ND 58507 or Tunnel of Towers.

MY DEAR ONES

*My dear family and friends
Gathered here today
Listen to what is in my heart
And what I have to say.
I am safely home now
In the heavens so true,
Here is peace and happiness
And a place for all of you.*

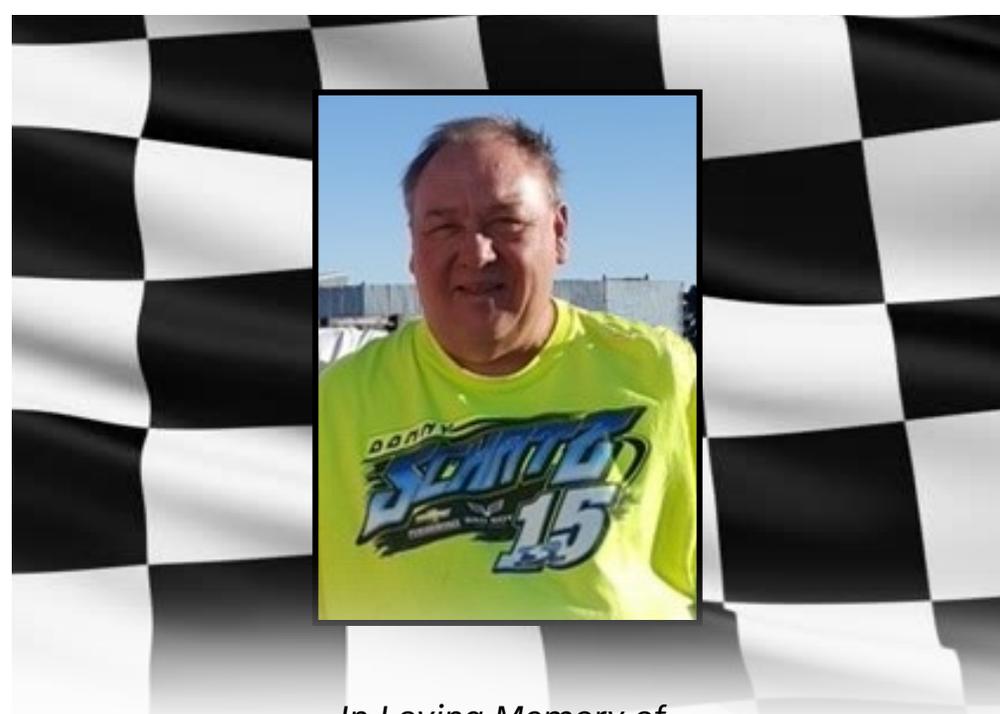

*I have to leave you my dear ones
And ask you not to grieve,
The Lord has been good to me
In His mercy and love I believe.
Keep on with your lives
With a smile and
hope in your heart,
For my sake keep going
As long as we're apart.*

*To my family and friends so true,
You all have been so good to me
Thank You, I love all of you.
When your life is over
And death draws near,
Oh, the joy of our meeting
To be together forever here.*
