

When I come to the end of MY JOURNEY
And I travel my last weary mile,
Just forget if you can, that I ever frowned .
And remember only the *smile*.
Forget unkind words I have spoken;
Remember some good I have done.
Forget that I ever had heartache
And remember I've had loads of fun.
Forget that I've stumbled and blundered
And sometimes fell by the way.
Remember I have FOUGHT some hard battles & won,
ere the close of the day,
Then forget to grieve for my going,
I would not have you sad for a day,
But in summer just gather some *flowers*
And remember the place where I lay,
And come in the evening
When the sun paints the sky in the west.
Stand for a few moments beside me
And REMEMBER ONLY MY BEST.
