Special Angel in Heaven

There's a Special Angel in Heaven, that is apart of me. It is not where I wanted her to be. She was here, but just a moment like a night-time shooting star. And though she is in Heaven, she isn't very far. She touched the hearts of many, like only Angels can. I would've held her every minute, if I'd only known God's plan. So I send this Special Message to the Heavens up above... Please take care of my Angel, and send her all my love.
