Visitor from Heaven

*A visitor from heaven, if only for a while,
A gift of love to be returned
We think of you and smile.*

*A visitor from Heaven accompanied by grace
Reminding of a better love and of a better place.
With aching hearts and empty arms
We send you with a name
It hurts so much to let you go,
But we're so glad you came.*

*There's a special angel in Heaven
That is a part of me
It is not where I wanted him,
But where God wanted him to be.*

*He was here but just a moment
Like a nighttime shooting star
And though he is in Heaven
He isn't very far.*

*He touched the hearts of many
Like only an angel can do
I would've held him more often
If the end I only knew.*

*So I send this special message
To the Heavens up above,
Please take care of my angel,
And send him all my love.*
