Nancy is survived by her sister Ruth Brooks, grandchildren, Randy Hughes & wife Emily, Craig Hughes & wife Lauren, Dustin Hughes & wife Paige, Jessica Bachhofer & husband Troy, Jason Hughes, Justin Hughes, and 8 great-grandchildren.

Nancy was a lady with a strong will and great love of family. She was not one to stay idle. Ever since she was a kid she had a passion for animals growing up on a dairy in New Jersey. She carried that passion throughout life and shared that with her family. If she wasn't outside tending to the animals on the farm, she could be found in her kitchen cooking and baking for loved ones. Nancy spent countless hours on the farm tending to livestock, working in the garden and helping the grandchildren with livestock projects. To say she kept busy is an understatement. Nancy loved animals of all kinds and especially her beloved Pugs. Above all else, she loved her family and was extremely proud of each of her loved ones. She was quick to share with those around her how proud she was of each family member.

Nancy leaves behind a host of fond memories that will continue to inspire those who loved her. Her life serves as a testament to the beauty of compassion and the warmth of genuine friendship. She will be deeply missed but lovingly remembered by all who had the honor of sharing in her life.

Footprints In The Sand

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him and the other belonging to the Lord. When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life. This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me." The Lord replied, "My precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then I carried you."
