Messages to Aniston

I love you. Aniston I'm gonna miss you, I love that every time I came home you were always folding your clothes or washing them. And when I sleep out and came back in the morning you were like "OH YAY! YOU'RE BACK!" I know you really wanted to watch Demon Slayer season 2, I will watch it for you and tell you all about it. Thinking of you sister.

Although I'm sad without you and wish that you were here, within my heart your lovely smile still shines bright and clean. I treasure all those memories of growing up with you. The secrets we would always share, the childish things we'd do and as the years passed quickly but we grew closer still.
