I'm Going Home

(Dedicated To Those Left Behind)

*By the time all of you read this poem, I'll be gone
God has sent His angels to take me home
Don't cry for me, my dearest love,
I'll be happy with Jesus, up above
And this is something you should know
My life was long and fulfilled, also
I've known for awhile that it was my time to go
That's why I spent as much time with you as I could
The final days we shared made me feel so good
now I'm just another spirit looking down on you
So live for God, and be careful what you say and do
Because, if you want to see me again, you must be saved
Let my death remind you of the price Jesus paid...*
