Flowers of Remembrance

Don Bon

When the days seem long,
remember there are
so many people who care about you,
who think about you often,
and who support you always.

*Love you
forever

*Dearest
Bonnie,*

Praying that
during this time
you'll feel God's presence
right there beside you-
every moment...
every step...
every need.

*If I can help in any
way I would love to.
We love you
