

Mother

A mom is one of life's best gifts,
someone to treasure all life through.

She's caring, loving and giving,
so thoughtful, kind and true.

Who is always a special part of your life,
someone who holds a prime place in your heart.

She's a mentor, confidant, and also a friend.

Someone on whose love you can depend.

As we look upon her picture, sweet memories we
recall, of a face so full of sunshine,
and a smile for one and all.

Remember me

Think of me often,

Remember me,

as one who confronted adversity.

With a gallant smile and no visible tears,
to fill the void of the lonely years.

As on who rose above care and strife,
to keep the faith of a mother and wife.

Striving through humor and love to bring,
a brighter side to everything.

Remember the good times, the better days,

Remember my home as a happy place

My interest in others shining through
and remember-

I LOVED AND CHERISHED YOU

*Perhaps you sent a lovely card,
or sat quietly in a chair.*

*Perhaps you sent those beautiful flowers,
that we saw sitting there.*

*Perhaps you spoke the kindest words,
as any friend could say.*

*Perhaps you were not there at all,
just thought of us that day.*

*Whatever you did to console our hearts,
we thank you so much for whatever part.*
