

If roses grow in Heaven Lord  
Please pick a bunch for me  
Place them in my Mother's arms  
And tell her they're from me.  
Tell her I love her and miss her,  
And when she turns to *Smile,*  
Place a kiss upon her cheek  
And hold her for a while  
Because remembering her is easy,  
*I do it everyday*  
But there is an ache within my heart  
That will never go away

*In Loving Memory*  
CELEBRATING A LIFE

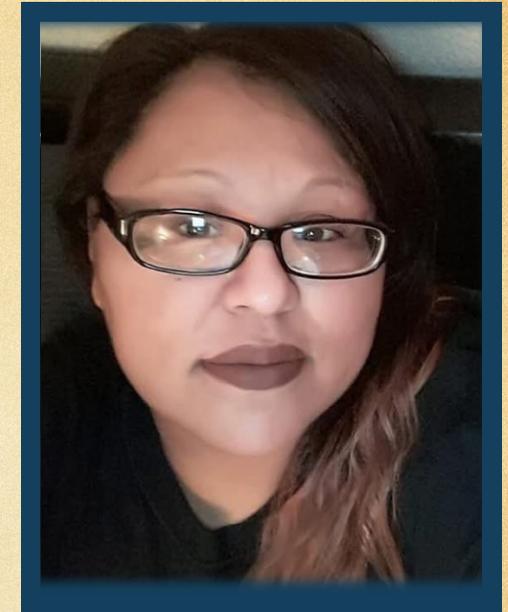

On January 16th, 2025 the creator called Donna BigLeggins home at the age of 49.

Donna aka sexy lippz came into the world on March 3rd, 1976 to Valerie BigLeggins-Whitehawk and Duane Whitehawk. She was born and raised in Wolf Point, Montana. She would spend the summer months in Poplar with her grandmother Margaret Snell. She and her sisters eventually left for boarding school in Nopetin between the years of 1985-1990. A little ways down the road she met Wayne First and from this relationship came her first daughter Sunset BigLeggins. She was also attending Job Corp well trying to keep her life on track. Sadly she doubted herself and came home to the reservation and was in her prime so she had her fun. Where she came to have her sons Courage BigLeggins. After some time she settled down and soon found her soulmate, James Jackson Sr. From this relationship came Percy, James Jackson Jr. ( Forever 21), Justice, Justin, Jessie, Jafonda, and Joshlynn. All of which grew up and went their own ways. When she made a mistake she always hated herself. Not a day went by that she didn't regret all the lost time. As time went on she tried every day to build a relationship with all her kids. She soon acquired many grandchildren, too many to name. Soon after sometime she found love again with her significant other Alfredo Rodriguez who she was with up until her passing. Together they loved her tiny fuzz ball (swerve). In her last months she spent as much time as she could with her children. She was a beautiful soul, a firecracker, she had the biggest heart and was so forgiving. Always tried her best to keep up with the family, She will never be forgotten.

She is reunited with those who have passed on such as her mother, Valerie; father, Duane; siblings, Tasha Whitehawk and Skyla Whitehawk; as well as her son, James Jackson Jr.

She is survived by her siblings Dallas BigLeggins and Robert Birthmark; uncle, Curtis Bigleggins; children, Sunset, Courage, Percy, Justice, Justin, Jessie, Jafonda, and Joshlynn; as well as many family members and extended family too many to name.
