# TRIBUTES

## MRS. CONNIE *Mae* CARTER

Mom throughout my life, you were always there, even if it was just a phone call away. I learned so much from you — not only from your successes, but also from your mistakes. No one is perfect, and we all stumble, but in a world where many hide their true selves, you never did. You showed me your pure self, both on your good days and your challenging days. You never looked down on anyone, always willing to help, even when others had spiteful intentions. Most of all, you taught me what true, authentic love is. As I begin this new journey without you physically in my life, I will continue to learn and grow with you in my heart. I love you Mom and always will.

~Lonyae

Connie, your unparalleled kindness and the moments we shared will forever inspire me. My deepest condolences to the family.

## STAND TALL

*You taught us how to stand so tall,  
To rise through every rise and fall.  
With grace, you faced life's stormy days,  
A steady hand, a guiding gaze.  
Though now you rest in peaceful sleep,  
Your love and strength in us, we keep.  
You showed us courage, heart, and might,  
And through your example, we find light.  
In every challenge, in every fight,  
You stood with honor, strength, and right.  
Now, as we face the world ahead,  
We carry your spirit, your words unsaid.  
So, we'll stand strong, just as you taught,  
With every lesson that you walked.  
Though you're gone, your love remains,  
And in our hearts, your strength sustains.*
