

I Made It Home

I just wanted to let you know that I made it home.

Everything is so pretty here, so white, so fresh, so new. I wish that you could close your eyes so you could see it too.

Please try not to be sad for me. Try to understand, God is taking care of me... I'm in the shelter of His hands.

Here there is no sadness, and no sorrow, and no pain. Here there is no crying, and I'll never hurt again.

Here it is so peaceful, when all the angels sing. I really have to go for now... I've just got to try my wings.

P.S. I'll be the first face you see when you get here!

Obituary

Valerie Renee Sisk (VV) was born June 29, 1982, in Cincinnati, Ohio to Warren and Brenda Sisk. She was called home to be with God on Friday September 27, 2024.

Valerie's education began at Losantiville Elementary and continued on to Walnut Hills High School where she graduated in 2000. She graduated from The Ohio State University in 2004 with a bachelor's degree in business administration. She graduated from the University of Cincinnati in 2008 with a master's degree in business administration.

Valerie began working at GE Aerospace in 2014, where she spent the last 10 years of her life – ending her career as a senior financial analyst.

She was an adventurous person that was always down for an excursion. She loved to travel and make memories with family and friends. Valerie never missed a chance to snap a picture, whether you wanted to or not, usually followed by her captivating laugh.

Valerie was preceded in death by her paternal grandparents George and Elizabeth Sisk, and her maternal grandparents Willie and Ethel Salter.

She leaves to cherish her memory her parents Warren and Brenda Sisk, her sister Kellee (James) Bennett, her "children" Makenna (niece) and Camden (nephew) Bennett, special friend Brandon Thornton, her fur baby Blaze Lightening, and an abundance of family and friends.

Valerie was a vibrant and vivacious soul who graced us with her warmth and wisdom. She was an extraordinary woman who loved big, laughed loudly, and never passed up the opportunity for a dance party. As Valerie embarks on her celestial journey, remember that her radiant spirit will forever resonate within us.

To VV - my right hand, my best friend, my baby mama, my ROCK. It's always been us against the world. You've loved me unconditionally through the years and have always been my number one fan. You were/are my hero. When I think of all the beautiful things in this world, that beautiful smile and free spirit live rent free in my head. As I learn to navigate this new world without you physically here, I promise to aspire to be half as good as you. You lived life so brazenly - I bet God heard you coming. Watch over me, our kids and our parents, until we meet again. I love you, Kellee D
