In Loving Memory of
Philip Henry Charlette
December 28, 1938—October 5, 2021

Philip was born and raised, along with his siblings, out at the trap line on their traditional land called Spruce Point. They did not have much access to the outside world and they harvested everything from the land. There, they were taught how to live off the land by harvesting medicines for all kinds of ailments, trapping, hunting and fishing to provide food for the family. Philip even raised a mink ranch on the trap line.

During his young teenage years, he would entertain family and friends by singing in a small band in the community of Cold Lake/Sherridon. At 15 years old, Philip started working for CNR in his home community. He left for a short while to mine at Inco in Thompson. However, he was injured in the mine and was hospitalized at Grace Hospital. This is where he met his beautiful wife, Victoria. Together they had 2 daughters, Delores and Melvina, and 1 son.

Together, they would raise their family in Sherridon until his wife's passing. Philip would continue to live in Sherridon and work at CNR until he was around 55 years old. Philip also worked various jobs around the community such as fisherman guiding, fire fighting and he also played an important role that helped develop a road into Sherridon. Philip's door was always open to friends and family for good times and laughter. Philip remained a loyal citizen of Sherridon until he retired at the Flin Flon Personal Care Home.

Philip passed away peacefully with his baby girl by his side on Tuesday, October 5, 2021. Philip was loved by

all the staff at the Flin Flon Personal Care Home. There he received nicknames such as "Gentle Giant" and "Philip-Ino". Philip will be missed by many. He will always be remembered by his infectious laugh and how his curls would bounce when he would sing.
