"Niece,"

As words could never express the pain that we are all feeling right now it's way to hard to say the words "goodbye" So we will all just say we will see you later you left memories that will remain in our hearts forever. You had so many people waiting on your heavenly arrival so even with all the hurt and pain you left us with we won't be selfish they needed you to... For as we all know our Heavenly Father makes no mistakes, so take your rest my beautiful doll face until we meet again keep shining your light from above, we gone really need it niece. Oh yeah, give mom a kiss for me and the rest of the family. Take your rest and fly high Babygirl.

Sincerely, Your Family
