

In Memoriam: Jenny Wiederholt-Pine

Winona State Athletics, former teammates, and coaches mourn the sudden passing of 4-year soccer standout, Jenny Wiederholt-Pine.

Jenny Wiederholt-Pine, simply known as “Wieder” across WSU athletics, was a key member of the Warrior Soccer Program from 1999-2002, during one of the most successful runs in program history. A midfielder who could run for days, Wieder was a leader on multiple conference championship teams and ranks among the WSU top-20 in games played, points, and assists.

From the day she stepped foot on campus, Wieder made an impact on and off the field with her sharp wit and humor, work ethic, never-ending energy, and selflessness. As kind as she was fierce, Wieder was always one to put others before herself. There was nothing she wouldn’t do for her teammates, friends, family, and, later in life, her children and community.

A modern-day Wonder Woman, Wieder committed herself to the many people and causes dear to her; coaching youth soccer, showing and riding horses, serving on the Hastings school board, and running the family business to name a few. Everyone that knew her is better for it. This remarkable woman leaves an unfillable void across all eras and facets of her life and truly exemplified what it meant to be a Warrior.

REST IN POWER #10!
