In Loving Memory
of a special

Husband

The day you left and gained your wings
my heart just broke in two
I wish you could have stayed with me
But Heaven needed you

You left me with the memories
And I love you dearly still
No matter how much time goes by
You know I always will

You were a very special person
With kindness in your heart
And the love we had together
Grows stronger now we're apart

I know I cannot bring you back
Although I wish it everyday
But a piece of me went with you
The day you went away

Your Loving Wife,
Marilyn Phelps
