

*Many places I have been,
Many sorrows I have seen,
But I don't regret
Nor will I forget
All who took the road with me.
Night is now falling
So ends this day.
The road is now calling
And I must away.*

*To these memories I will hold
With your blessing I will go
To turn at last to paths that lead home.
And though where the road then takes me
I cannot tell.
We came all this way
But now comes the day
▶ To bid you farewell.*

I bid you all a very fond farewell.
