Gone Back Home

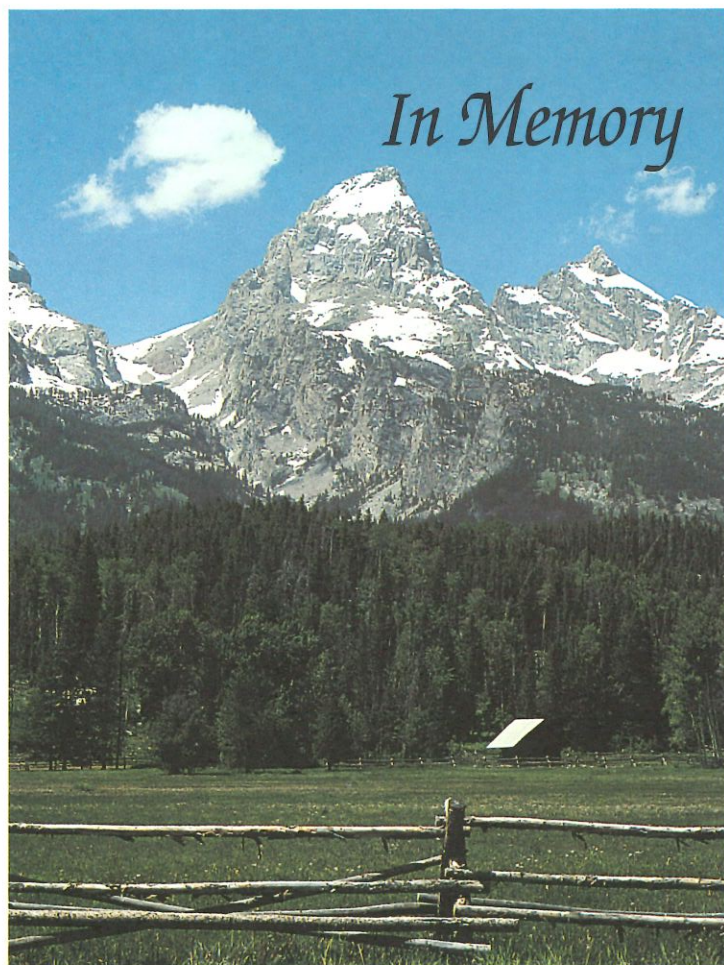

God has called me back home,
high in the Heavens above.
Beauty now surrounds me.
I feel his wonderful love.

As I enter heavens gates,
Family and friends are there.
They've gathered just to greet me.
Excitement is in the air.

Although I've left this Earth
where I'll no longer roam,
I haven't really died.
I've just gone back home.

~Ron Tranmer
