The You In Me

If it weren't for you
There would be no me,
A seed carrying genetic makeup
That all can see
Cause big me, I'm little you
And there's no thing one person can do
To change the fact
You're a part of everything I do
From the way I act
To the strength and or stubbornness
It takes to hold my position
And not fall back.

Fallen Soldiers

(Excerpt)

Fallen soldier laying in your
forever bed to rest in peace,
Cause your physical
body is at a cease.
See you and the
face starts to release,
A sea of love that often flows
for the deceased.
