DON'T CRY

Don't cry any more tears for me I am at peace.
I'm finally free.
Like the eagle in the sky I am soaring.
So, please don't cry.
I know you love me. I love you too.
But, my time was over; was finally through.
I have ascended to a better place,
which is not confined by time or space.
To those that loved me, I did not fall.
I only succumbed to a higher call.
Do not mourn me. I am with you still.
I'll be with you always, from dawn- - - -until.
