

Statement of Appreciation

Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral piece, if so, we saw it there. Perhaps you prayed a sincere prayer or came to pay a call. Perhaps you sang a cheerful song, if so, we heard it all. Perhaps you spoke the kindest words, as any friend could say. Perhaps you prepared a tasty dish, or maybe furnished a car. Perhaps you rendered a service unseen, near at hand or from afar. Whatever you did to console our hearts, by word or deed or touch.

Whatever was the kindly part, we thank you, oh so very much.

Obituary

On Monday, September 29, 2025, Lakesha Lashawn Jones, loving mother, nana, granddaughter, niece, sister, and friend, passed away at the age of 46 at Texas Health Presbyterian Hospital in Plano, TX. Lakesha was born October 13, 1978 in Dallas TX and was the only child of Maye Lois Jones and the second child of Johnny Lee Williams.

Lakesha was hardworking and a loving mother and grandmother. She loved all her nieces, nephews, siblings and her friends. Lakesha was best known for her outspoken yet loving and comforting nature. She was a fighter who instilled resilience in her children. She was the creator and the life of the party. She was comfort in a long day and always just a phone call away for anyone that knew her.

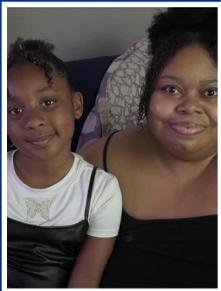

During her illness she remained herself. She loved and we laughed a lot. She will truly be missed because simply "to know her is to love her".

She is survived by her daughters Tawyona Roshawn Jones (Darius), Rolanda Lakesha Stephens (Travor), Grandchildren: Kayden "Chunky Monkey" Stephens, Nyla "Pretty Girl" Thomas, Axton "FatMan" Jones-Thomas, siblings: Bobby Ray Allen, Aaron Williams, Gerald Trimble, Jeremy Andrews, Joycelann Andrews, nieces and nephews: Zavannah Hardin, Zyana Jones, Chrishara, Solo, Nautica, Kebreana "Kebe", Betty Delgado and her amazing little cousins she considers as her nieces and nephews.

She is preceded in death by her Mother Maye Lois Jones, Father Johnny Lee Williams, Sisters Angie Allen and Juanita Allen.

Precious Memories

Hi Nana

I really, really miss you and I want you to know that we love you. I'm really going to miss watching Twilight marathons with you and hearing your stories and our talks. I'm going to miss your hugs that made me feel better and your big smile. I love you

Nana,
NYLA

I'm going to miss watching movies with you and coming to give you hugs after school. I loved that you were so nice. I love you, Nana and I'll never stop.

AXTON

There's a lot of things I'm going to miss about my Nana, but the main thing is her vibe. She was that one person that as soon as you hear her voice, you get excited. It doesn't matter how tired, sad, or upset you are, as soon as you hear her voice, it changes. I'm going to miss that because I'm not going to be able to hear that anymore or feel it.

KAYDEN

You were my first granddaughter and I loved you from then to now and always. I will always have a spot in my heart for you and your children, I love y'all unconditionally. I just wish we had more time, but God knows best, and I just want you to know I truly love you.

-Your Grandmother

In Loving Memory of a special Sister-Cousin

"The day you left and gained your wings my heart just broke in two I wish you could have stayed with me, but Heaven needed you. You left me with the memories And I love you dearly still No matter how much time goes by You know I always will You were a very special person With kindness in your heart And the love we had together Grows stronger now we're apart I know I cannot bring you back Although I wish it every day But a piece of me went with you The day you went away"

Your Sister, Joycelann

Hey ladybug, the time we both have dreaded for so long has finally come. You were so young when you became my mommy. I can only imagine the fear you had bringing me home. I just want to let young you know you did it, you're a loving mom and an even better grandmother.

You gave me love, you taught me kindness, you were my protector, my peace and for so long you were my strength until I learned to be strong on my own. It's funny how you went from not being "one of my little friends" to being my best friend. I'm going to miss your smile your voice, laying next to you doing nothing, sitting with you and watching tv, eating with you, cooking with and for you, having random parties/dance parties with you, playing board games with you and the kids, sitting and talking about nothing for hours with you and my sister, but most of all I'm going to miss picking up the phone or walking into your house and hearing you say HEY LADYBUG.

Since I am you and you are me, know that your nieces and nephews will never feel alone, your grand kids will always be loved and I will always be by my SISTERS side (Rolanda and Joycelann).

Fly high ladybug granny and your sisters have been waiting for you. Your baby girl,
Tawyona Shakur

Dying is craaaazy lol you wanted to be my angel so bad just kidding...I love you to pieces mama, I told you all the time how much of an amazing mom you are, and no one could replace the endless love you gave me.

I'm going to miss our long talks, sitting in silence with you, calling you for every little thing just for you to say use google, and I'm forever grateful that you were there every step of the way when I had my first child.

I'm going to miss you until I see you again mommy I love you so much. Me and Tee will take care of your grand babies with all the love you gave us.

Rest peacefully now ladybug.
