

Words From Your Husband

Baby, I don't question God. There is a time and season for everything. I thank God for you every day. To her mother and family, I thank you for sharing Val with me to be a part of the family. I appreciate that, I love all of you for that. Since the day we met, we immediately clicked. Like, we are the same exact Zodiac sign. God knew what He was doing by placing you in my life. He makes no mistakes. Our love is so strong for one another. Yes, I feel robbed! Yes, I feel selfish and want you here on earth. But God needed you more. Val, I love you wholeheartedly. You're my everything. I will continue to love and honor you. Just know we are not alone. I can hear your mother now saying, "That's my daughter, Val. Let me call and check on my daughter to see what she is up to." Your legacy will forever live in me. I will make you proud. Your love and memories will live forever through me. I will always carry you close to my heart. I will forever love you. My Queen, fly high. I love you forever and always. Save a place for your King.

Love, Your Husband, Terry
