## *To My Grandma*

*You held my hand when I was small, You gave me strength to stand up tall.  
Your gentle voice, your caring ways, Will live with me through all my days.*

*Though heaven called you far above, You leave behind your endless love,  
I'll keep your smile within my heart, From me and you, we'll never part.*

*And when I'm lost or feeling blue, I'll close my eyes and think of you.  
For though your chair is empty now, Your love still wraps around me  
somehow.*

## *Tribute to a Star*

*If flowers grow in heaven  
On land that's wild and free,  
Lord, place some in my sister's arms  
And tell her they're from me.  
Please tell her that I love her  
And miss her every day,  
Remembering her is easy,*
