*Until We Meet Again .....*

*Those special memories of you will always bring a smile.  
If only I could have you back just for a while.  
Then we could sit and talk again, just like we used to do.  
You always mean so very much and always will do too.  
The fact that you're no longer here  
will always cause me pain  
but you're forever in my heart*
