How can we possibly say good-bye to such a big part of us? We can't and we won't. so we'll just say see you later because we will be together again. We thank you so very much for teaching us to be strong and loving us unconditionally and to us that makes you the perfect mother. So until we are reunited know that you are loved and forever in our hearts.

## I'M FREE

Don't grieve for me for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard him call  
I turned my back and left it all  
I could not stay another day to laugh, love or play  
Tasks left undone must stay that way  
I found peace at the close of day  
If my parting has left a void please fill it with our loved memories.

A friendship, a laugh, a kiss oh yes  
These things I too will miss  
Don't be burdened with times of sorrow  
I wish for you the sunshine of tomorrow  
My life's been full, I've savored much  
Good friends, good times, a loved ones touch  
Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief  
Lift up your heart and share with me  
God wanted me now, He set me free  
I've Got The Victory!

Lovingly Submitted - Your Family

God looked around his garden and found an empty place  
 He then looked down upon the earth and saw your tired face  
 He put his arms around you and lifted you to rest  
 With the help of his angels, flew you to your Heavenly Place.

God saw you were getting weary  
 So He did what He thought best  
 He came and stood beside you  
 And whispered come and rest  
 You bade no one a last farewell  
 Not even a goodbye  
 You were gone before we knew it  
 And only God knows why  
 God saw the road was getting rough  
 The hill was hard to climb  
 He gently closed the loving eyes  
 And whispered "Peace Be Thine"  
 The weary hours, the days of pain, the sleepless nights  
 are passed  
 The everpatient worn-out frame, has found sweet rest  
 at last
