HIS LIFE'S JOURNEY  
*Edgar Allen Muse*

*I have fought a good fight, I have finished my course, I have kept the faith: ~ II Timothy 4:7*

*Edgar Allen Muse was born on July 22, 1945, in Chicago, Illinois. He was born to the late Mateel Robinson Muse and John Edgar Muse. Edgar was a beloved son, father, grandfather, brother, uncle, cousin and friend. He became a member of Saint Francis Catholic Church at an early age.*

*Edgar's educational journey began at Saint Francis Catholic School. While there, he was a member of the basketball team, and he was a proud graduate of the class of 1964. After graduation, Edgar was employed by the International Paper Mill in Redwood, Mississippi. A few years later, he began working at Mississippi Chemical Corporation of Yazoo City, Mississippi, where he served faithfully until his retirement in May of 2000. During his time at MS Chemical, he received many awards from the company including perfect attendance and employee of the year.*

*Edgar loved to read and keep up with current events. He had a brilliant memory and therefore held a wealth of interesting factual information. His mind was like an encyclopedia. One of the most memorable things about Edgar is the fact that he was a generous giver and believed in helping anyone in need. He would often make monthly donations to various groups in the community, especially the residence of the local nursing home. In addition, Edgar was a lover of animals. He loved taking care of cats and other neglected species.*

*Edgar was preceded in death by his parents: John Edgar Muse and Mateel Robinson Muse; his sister: Ender "Ann" Muse; and his nephew: Cory Turkson; and many classmates from St Francis School with whom he spent much time.*

*Edgar leaves to cherish his precious memories, his son: Harold Hart; grandson: Jordan Benjamin Hall; nephew: Francis Turkson; a devoted cousin: Linda Warren; and a host of other cousins, relatives, neighbors and friends.*

*Edgar's favorite quote that lives on, "Fools, I told you so. When I say something, you better listen."*

**EDGAR "MOOSE" MUSE**

*A generous, loving heart. Though you may think it a bit rough,  
But life with its ups and downs, simply taught him to be tough!*

*A listening ear, he offered freely and good advice he would often give  
But sometimes due to his honesty, it seemed like a bitter pill!*

*Words I could use to go on and on and on for "Moose" as we fondly called him,  
Had a kindhearted legacy, that stretches very long.  
But it's the memories of time spent together,  
That I will hold and cherish forever!!!*

**Your Cousin, Linda**
