I'm Free

*Don't grieve for me
for now I'm free
I'm following the path
God laid for me.
I took His hand when
I heard Him call
I turned my back and left it all.
I could not stay another day
To laugh, to love,
to work or play.*

*Tasks left undone must stay that way.
I found that peace at close of day.
If my parting has left a void,
then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times,
a loved ones touch.*

*Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your hearts and share with me
God wanted me now. He set me free.*
