CELEBRATING THE LIFE OF

Sarah M. Krueger

April 28, 1999 - August 22, 2025

The Footprints Prayer

One night I had a dream...

I dreamed I was walking along the beach with the Lord, and across the sky flashed scenes from my life.

For each scene I noticed two sets of footprints in the sand; One belonged to me, and the other to the Lord.

When the last scene of my life flashed before us, I looked back at the footprints in the sand. I noticed that many times along the path of my life, there was only one set of footprints.

I also noticed that it happened at the very lowest and saddest times in my life. This really bothered me, and I questioned the Lord about it.

“Lord, you said that once I decided to follow you,
You would walk with me all the way;
But I have noticed that during the
most troublesome times in my life,
There is only one set of footprints.

I don't understand why in times when I
needed you the most, you should leave me.

The Lord replied, “My precious, precious
child. I love you, and I would never,
never leave you during your times of
trial and suffering.

When you saw only one set of footprints,
It was then that I carried you.
