

*Heaven's Walk*

*In Loving Memory.....*

It's time for me to take the steps  
that lead to Heaven's Gate.  
And with each step I'll think of you  
and all the times we've spent.

I am going now to paradise,  
where there's only love, no pain.  
And I will wait until the time  
we see each other again.
