DAD

It's hard for us being human to understand why things happen, why we lose the one we love.

The kind and generous one, but God needed another angel to add to His family.

He knew your pain and brought you peace.

We love you, but God loves you best.

We will always carry you in our hearts.

Love Your Children,

Albert Nathaniel, Otha and Marilyn

IF WE COULD BRING YOU BACK AGAIN

If we could bring you back again

For one more hour or day ...

We'd express all our unspoken love

We'd have countless things to say.

If we could bring you back again

We'd say we treasured you ...

And that your presence in our lives

Meant more than we ever knew.

If we could bring you back again

To tell you what we should ...

You'd know how much we miss you now

And if we could, we would.

Love Your Siblings,

Robert, Hannah, Irene & Julius

IF WE COULD BRING YOU BACK AGAIN

Sorry for the goodbye we had to say to each other,

but we know the love is never gone. You will

always have a place in our heart. We will love you

always. Goodbye, until we see each other again.

Love Your Nieces & Nephews
