Miss Me – But Let Me Go

When I come to the end of the road  
And the sun has set for me,  
I want no rites in a gloom-filled room;  
Why cry for a soul set free?  
Miss me a little – but not too long  
And not with your head bowed low.  
Remember the love that we once shared.  
Miss me – but let me go.  
For this is a journey that we all must take  
And each must go alone.  
It's all a part of the Master's plan,  
A step on the road to home.  
When you are lonely and sick of heart,  
Go to the friends we know  
And bury your sorrows in doing good deeds.  
Miss me – but let me go.
