LIFE IS FOREVER! DEATH IS A DREAM

If we did not go to sleep at night, we'd never awaken to see the light and the joy of watching a new day break or meeting the dawn by some quiet lake would never be ours unless we slept while God and all his angels kept a vigil through this "little death" that's over with the morning's breath and death, too, is a time of sleeping, for those who die are in God's keeping and there's a "sunrise" for each soul, for **LIFE not DEATH** is God's promised goal, so trust God's promise and doubt him never for only through death can man **LIVE FOREVER**.
