Wings

You gave me wings so I could fly
You gave me wings so I could see the world around me
You gave me wings to help me out
You gave me wings to show me the way.
You gave me wings because you care about me.
You gave me wings to let me go
So if you ever need me I'll be there with open arms
to love you like you always have with me

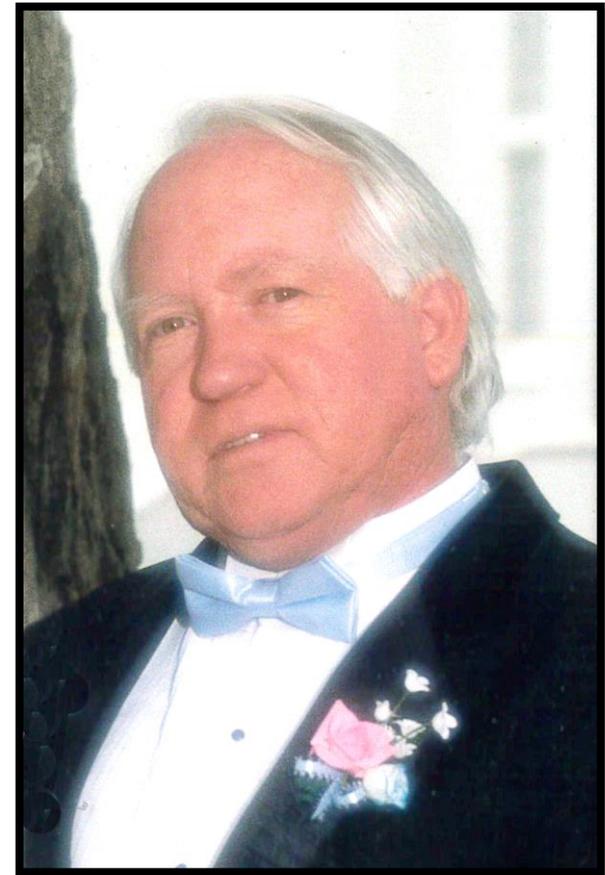

~ Written by Christie Ann

APPRECIATION

On behalf of the family, we wish to express their gratitude
for your many kindnesses evidenced in thought and deed,
and for your attendance at the services.

In Loving Memory Of

David Ross Good

March 28, 1949 ~ January 16, 2022
