A Life Filled with Love

In loving memory
A gentle soul, a heart so kind.
A beautiful spirit, one of a kind.
A life well lived, a love so true.
A heart that cared in all it would do.
Through every season, joy and pain.
You faced each day with strength again.
You gave so much and asked for little.
Found joy in moments big and little.
With open arms and a selfless heart,
You made the world better just by your part.
Family was your greatest treasure,
and love was something you gave without measure.
Through hard work, dedication, and grace,
You left a warmth no time can erase.
You taught us love through all you gave,
and strength through how you bravely faced each day.
Your gentle spirit, your caring ways,
Will live within us, all our days.
Though we must say goodbye for now,
Your love will guide us some way, somehow.
For those who love us never truly depart,
They live forever within our hearts.

Obituary

Carla Renee Bogan was born on April 13, 1957, in Wichita, Kansas to Barbara Walker and Joe Bogan, as the first of six children. From a young age, she was exposed to different places, people, and experiences that shaped the woman she would become. While living in Michigan, she set and held a middle school state track record while in the sixth grade.

Carla would later matriculate to Star Spencer High School in Spence, Oklahoma, where she would excel academically & eventually participate in one of the most prestigious scholarship programs for African American women, the Fashionetta debutant ball.

Following her senior year and graduation, she would go on to attend the University of Oklahoma where she was an active member in the Kappa Sweethearts. A few short years later, Carla would break barriers in what was a heavily male dominated industry, being hired as a mechanic at Beechcraft in the late 70's. During her tenure, she advanced into senior roles by hard work and dedication, with one of the roles being a standing member of the mechanics union. Surviving layoffs and company transitions, Carla was a valued employee of 48 years.

In 1984, She embraced motherhood with all her heart with the birth of her only child, that brought her a love and purpose which would forever define one of the most cherished chapters of her life...and a pain in her backside.

As with most of her generation, soap operas were her fancy and the Young & the Restless was her entertainment. Known for having a bright, bubbly, and optimistic personality, she brought warmth and kindness when we didn't know it was needed. Not only was she beautiful on the inside, it radiated outwardly by her exquisite taste in fashion, setting the tone of always being put together.

She was an elated and doting grandmother to Briana, Khoen-Len, & Adrian, whom she absolutely cherished and adored.

Carla lived a privileged and advantaged life. She was a master of gift giving and equally talented in selecting THEE BEST cards for every occasion. Always willing to support and help whenever called upon. Carla has demonstrated that negativity has no place to grow and foster and to be grateful for the life given, and life lived.

Carla is survived by son, Brian Fields, grandchildren Briana, Khoen and Adrian. Mother, Barbara Walker, Sisters, Debra Sellers, Kim Bogan, Pamela Adkins, and Jo Lynn Bogan. Brother, Bryant Walker, and a host of nieces, nephews, close friends, and family.
