

You Don't Know Like I Know

No one know my pain or sorrow
Sometime they linger into tomorrow
When time get hard and it seems like you can't make it.
There is something you can do, to make it
I pray for God and I give him the praise
He reaches down with all his love
I can feel his spirt from up above
A hand that reaches down to me
It pulls me up and sets me free
My troubles all disappear
God has washed away all fears
Even dissolved all my tears
God picked me up and held me tight
He said, "Have faith little one, you're still my child.
I know your trouble, I feel your pain, now lean on me and
show no shame. Just tell the world to step back, keep yourself moving
on the right track. Man can't help you; they would never try. The world
is to busy playing games and flying high".
So you see, no one knows like I know, what God can do for me.
Only God's Love can pull you though
Only God's Love can set you free.
