REMEMBER ME

Rember me with smiles, not tears,
for all the joy through the years.
Recall the closeness that was ours, a
love as "sweet" as fragrant flowers
Don't dwell on thoughts that cause you
pain. We'll see each other once again.
I'm at peace try to believe, it was my
time, I had to leave. But what a view
i have from here, I see your face, I feel
you near, I follow you throughout the
day You're not alone along the way. And
when God calls you...you will be, right by
my side.. right here with me. Till then, I
will wait by Heaven's door. We will be
united evermore!
Love your
Grandchildren

DAD

The moment that you left me, my
heart split in two. One side filled
with memories, the other side died
with you. I often lay awake at night
when the world is fast asleep, and
take a walk down memory lane
with tears upon my cheek.
Remembering you is easy, I do it
everyday, but missing you is a
heartache that never goes away. I
hold you tightly within my heart
and there you will remain. You see
life has gone on without you, but
will never be the same.

Love your
Sons

Sterling,

I am going to miss you from calling
me your wild woman and telling
me how you love my cooking. Rest
my sterling until we meet again.

Love your
Wild Woman

My hero

Devoted, heartgoing, and happily
spirited man is what you are and always
will be to me. A real definition of a family
man and a devoted father. A major part
and role model in my life. My super man
and I am very proud to say that you are
my father and friend. I love you always
and forever.

Love you Daddy

BROTHER

We love you dearly, but God loved you
best. We all had our own way of loving
and talking to each other. Losing you has
left another hole in our hearts but you
will truly be missed. Until we see you
again. Forever in our hearts.

Love you
JC, Bet, Buddy, Milton & Gilbert
