## If There Were Only One

*Written by Margaret James*

If there were only one, Would He have come,  
To earth, to die? If there were only one.

Would Father send his son, If there were only one,  
With faith enough to claim His name,  
Would Father send his son.

Did He have love enough, To suffer for just one,  
Redeem one sinners soul, Did He have love enough.

Oh who would be that one, A mother on her knees,  
A humble man, a king, Oh who would be that one.

Yes, He would come for one, Because He did  
He gave his life for you.  
Yes, He would come for one.
