*I Want to Stroll Over Heaven With You*

If I surveyed all the good things that come to me from above,  
If I count all the blessings from the storehouse of love,  
I'd simply ask for a favor of Him beyond mortal king.  
And I'm sure He would grant it again.

I want to stroll over Heaven with you some glad day  
When all our troubles and heartaches are vanished away.  
Then we'll enjoy all the beauty where all things are new.  
I want to stroll over Heaven with you.

So many places of beauty we've longed to see here below  
But time and treasures have kept us from making plans as you know  
But come the morning of the rapture together we'll stand anew  
While I stroll over Heaven with you

I want to stroll over Heaven with you some glad day  
When all our troubles and heartaches are vanished away.  
Then we'll enjoy all the beauty where all things are new.  
I want to stroll over Heaven with you.
