GRACE

I will praise my God my Heavenly Savior
Your Word of knowledge is what I crave
Chewing every morsel, digesting every bite
Absorbing food for my soul to help me live right
So I will walk in the light, head tilted to the sky
So when the day comes and the trumpets sound, I
will fly
Until then I will be here to give God glory
Being a living testimony and sharing my story
How Christ delivered me from a world of
damnation
Through his love & grace I received salvation
his grace and mercy is abundantly sufficient
My soul renewed, there is a difference

PEACE OF MIND

I have a peace of mind,
when I have time to unwind
To define the thoughts that have
been going through my mind
Keeping me confined and confused in mental
restraints
Of people telling me who I am
and who I ain’t and cannot become or cannot be
because of the brown skin that clothes me
I keep my eyes on the skies and cast all my cares
My savior lives and answer prayers
