In Loving Memory of
Tristin Raven Jobb
“Rainbow Child”

January 27, 1997—October 6, 2022

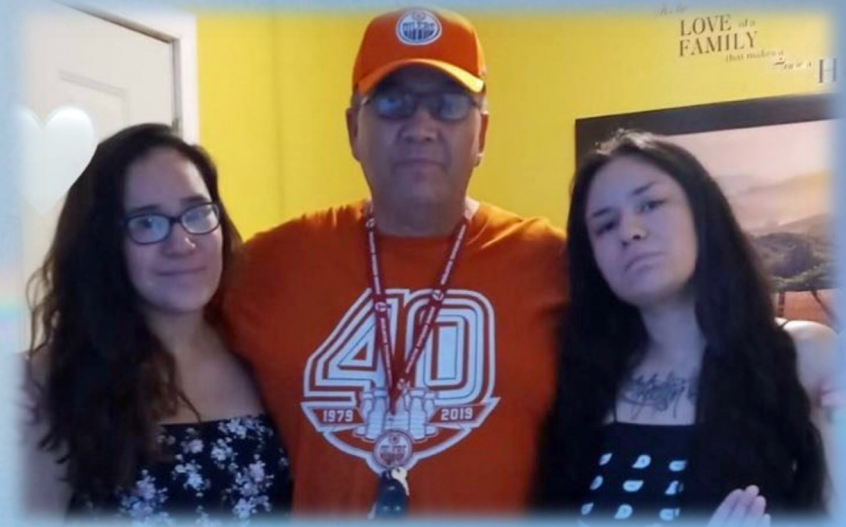

On the early morning of Thursday, October 6, 2022, Tristin Jobb, of The Pas, Manitoba was called home by The Creator.

Tristin was born Monday, January 27, 1997, at the Flin Flon General Hospital, Flin Flon, Manitoba, to mother Val Charlette and father Arnold Jobb. Tristin had attended a number of schools in her early years with the most recent being Mary Duncan in The Pas, MB.

“Rainbow Child” was also a part of a large spiritual Indigenous family. She received her spirit name at a young age by Elder Margaret Head-Steppan at the Flin Flon Sweetgrass Aboriginal Head Start Program where her family’s spiritual journey began in reclaiming their Indigenous roots and identity. The staff called Rainbow Child an elder trapped in a young girl’s body as she was intelligent well beyond her years.

Tristin was everything but ordinary. She was the loudest person in the room and didn’t have a shy bone in her body. She had the craziest stories and did the craziest things. When Tristin and her younger sister Sunni were kids, they thought it would be a funny idea to crazy glue their feet together only to realize they couldn’t get their feet unstuck. Frantically trying everything they could, Tristin ripped her foot away from Sunni’s along with a large chunk of the bottom of Sunni’s foot. This was the start of her many

escapades. If there were only one word to use to describe Tristin, it would be audacious. Tristin was a thrill seeker and she was never afraid to stick up for herself or for anybody in need. She was also a proud member of the LGBTQ community.

Despite her out-going personality, Tristin had an immense amount of love for her friends and family but especially for her younger siblings. Her love was like a warm cup of hot cocoa on a cold winter night. It was a kind of love that made you feel safe and protected.

Tristin enjoyed drawing and as she grew older her love for art grew to doing beautiful make-up looks on herself. She also enjoyed sports such as swimming, dancing, baseball, volleyball and basketball. But what Tristin loved the most was making memories with her friends and family. Tristin was well loved and will surely be missed by many.

Tristin is survived by her loving companion and devoted dog Joey; mother Val Charlette; father Arnold Jobb (Daisy); sister Sunni Jobb (Magz); brothers Peter and Garrett Charlette; great grandmother Helena Castel; grandmother Heather Charlette; grandfather Laurier McKay; along with many other loving family members, too numerous to mention.

Tristin was predeceased by her grandmother Florence McKay; grandfather Peter Charlette; special cousin Skye Charlette; and many family members too numerous to mention.
