

When tomorrow starts without me

When tomorrow starts without me and I'm not here to see
If the sun should rise and find your eyes all filled with tears for me
I know how much you love me as much as I love you
And each time that you think of me I know you'll miss me too.

But when tomorrow starts without me please try to understand
That Jesus came and called my name and took me by the hand
He said my place is ready, In heaven far above
And That I have to leave behind all those I dearly love.
But as I turned to walk away a tear fell from my eye
For all my life I'd always thought it wasn't my time to die
I had so much to live for and so much yet to do
It seems almost impossible that I was leaving you.

I thought of all the yesterdays the good ones and the bad
I thought of all the love we shared and all the fun we had
If I could have stayed for a little while
I'd say goodbye and kiss you and maybe see you smile.

But then I fully realize that this could never be
For emptiness and memories would take the place of me
And when I thought of worldly things that I'd miss come tomorrow
I thought of you and when I did my heart was filled with sorrow.

But When I walked through Heaven's Gate and felt so much at home
As God looked down and smiled at me from his great golden throne
He said this is eternity and all I promised you
Today your life on earth is past but here it starts a new.

I promise no tomorrow but today will always last
And since each day's the same here there's no longing for the past
So when tomorrow starts without me don't think we're far apart
For every time you think of me I'm right here in your heart
