

## *In Loving Memory*

### *Dear Mom*

*Although we cannot see you now,  
You are always on our minds.  
All the loving things you did for us,  
So thoughtful and so kind.*

*Although we cannot hold you now,  
You are being held here in our hearts.  
And through our loving memories,  
We will never have to part.*

*Although we cannot call on you,  
to help us through the day.  
We will remember what you taught us  
With your loving ways.*

*Although we cannot tell you now,  
How special you have been,  
We will be sure to tell you, Mom  
When we see you again*
