Dr. Bryan Walker, Officiating

Story of My Life

Carla Mae Webb a devoted mother, beloved grandmother, community servant, and woman of unwavering faith, passed away peacefully at her home on May 21, 2025, at the age of 71.

Affectionately known as Mama, Granny, Ms. Webb, Coach Carla, Coach Webb, Grandma Carla, Mama Webb, Aunt Carla.

Carla Mae Webb was born to Mayetta Reed and James Lake (Ruth), and lovingly raised by Abraham Davis (Birmingham, Alabama) on September 24, 1953. As allowing GOD first in her life, she became a member of Bethel Baptist Church at a very early age as it was the Reed Family church joined by her ancestors the Smith girls in the early 1900's. Her fondest memories of her childhood were being raised on 1214 Lincoln Ave and Tuxedo with the Reed clan. Her childhood was filled with joy and strong family ties.

She took pride in her upbringing in the Walnut Hills community. Carla attended Frederick Douglass Elementary, Samuel Ach, Sawyer Junior High School, and Courter Tech High School. As a young mother at 15, she joined the Neighborhood Youth Corps and graduated from Hughes Night School with her diploma in 1971. Education, hard work, and perseverance became lifelong values that she passed down to future generations.

Her love for numbers and work ethic led to a 34-year career at Frisch's Corporate Office as an Accountant and Manager of Accounts Payable. After retirement, she rejoined the workforce with Lasik Plus and served 10 years on their finance team. She also worked as a loving caregiver and at Beck's Hardware, never hesitating to serve others.

Carla was a devoted and remarkable mother, raising her children with love, strength, and joy. She gave birth to three children but mothered many. She met Rick Payne and gave birth to her first son, Rickey Shawn Reed. As a young single mother, her and Shawn would take the bus to football practices and games. Making sure she was always there to cheer him on and be his biggest fan on and off the field. Taking pride in seeing him leave for California as a young man, join the military as a man, and becoming a father of two beautiful daughters.

In 1978, she married Aldon Webb and had two more children: Ebony Dawn Webb came in 1979. Carla and Ebony's relationship was mirrored from the close relationship she had with her mother Mayetta Reed. Carla enjoyed spending time at church with her children, from BBC vacation bible school to becoming Ebony's girl scout leader that took her and several other girls on fun trips to teach them camping, singing, cooking, and survival skills. Carla loved participating in Ebony's school activities sponsoring the Hughes HS senior breakfast for the 1997 graduating class. Carla and Ebony spent many years traveling the world together, even going to Africa in 2008. Carla's greatest joy was supporting Ebony through motherhood. Being an involved second mother to Ebony's 5 children and the best "Granny" any child could ask for.

In 1981, Carla became a mother to her youngest son Aldon Webb Jr. He was an athletic child, so Carla went back to the fields to be his biggest cheerleader while doing football and baseball. Carla loved seeing him become a father and be a part of his 3 children's lives.

In 1995, Carla welcomed her first-born granddaughter Destiny Michelle Webb (daughter of Ebony Webb & Michael Howe), and in 1998 her first-born grandson, Adreion 'A.D.' Brown (son of Aldon Webb Jr & Angella 'Chewy' Brown), nurturing them with the same love, guidance, and devotion she gave her own children. She was a pillar of her children's lives and her grandchildren's hearts.

"Continued Story of My Life"

She was deeply rooted in her community, as she was passionately involved in making a difference. She served on the Walnut Hills Area Community Council serving as the NSP Manager, (Neighborhood Support Program) Organizing Clean Up committees, Secretary VP and President, Little Red Machine Organization from 1974 - till, Girl Scout Leader, Bethel Baptist Church, Kids Club Volunteer, Crossroads Community Church and many more acts of love and kindness for the communities of Walnut Hills, Avondale, Evanston, and Bond Hill.

Carla was known for road trips, her mother's recipes, smoked meat, soulful music from Gerald Levert to her gospel music, historical sightseeing, line dancing, and community service. Events rooted in FAMILY values from Christmas eve traditions to 1st Cousin meetings, water aerobics classes, college tours w/ her grandchildren, and youth empowerment. Her presence brought light and laughter to every room.

She lived her mantra: Create a positive memory every day!

Carla Mae Webb leaves behind a powerful legacy of love, strength, and dedicated service. She will be deeply missed and forever remembered by her children, grandchildren, extended family, church family, friends, and the many communities she served with passion and grace.

She is survived by her beloved children: Rickey Shawn Reed, Ebony Mapp (Chris), and Aldon Webb Jr. Her legacy continues through her cherished grandchildren: Raven Reed, Jennifer Thompson, Destiny Webb, Benjamin "BJ" Ferguson, Aissatou "Aissa" Bah, Jariatou "JaJa" Bah, Housanatou Bah, Adreion Brown, Tylar Webb, and Zaniah Finley. Carla was also blessed with great-grandchildren who brought her immense joy: Madison Webb, Ke'Vonte Mallory, Adreion Brown Jr., Abrielle Killings, and Aryes Hunt.

She shared close bonds with her siblings: Althea Reed Myles (Otis), William "Wyly" Reed, also known as BFunkn, Anthony James Reed, Douglas McNeill Reed (Nyree), James Vaughn Lake, and many more brothers and sisters through Abraham Davis. Among them, Verneata Cummings of Chicago, Illinois, and Tyrone Cummings of Atlanta, Georgia, held a special place in her heart. Carla also had a treasured God-sister, Ronda Ervin (Willie), whose friendship was a source of great strength and love.

Among the many family members who enriched her life were her devoted aunts: Barbara Reed (Alvin "Butch"), Luella Davis, and Carla Reed (Michael). Her sisters-in-love, Terri Nelm and Grace "Candy" Trainer-Reed, shared in her journey of faith and family.

Carla embraced many as her own, including bonus children: Aldon De'Remes Webb (Rosheena), Tremmel Jackson (Sandra), Mikaela Williams, Dr. Bianca Chin-Montaque (Kisan), and Chris Brown (Shawntel). She also helped raise and love additional grandchildren: Traeshona, Zaria, Stefanie, Andrea Mapp, Dominique and Izzie Montaque, LaShawn "Dodoman" Webb, and many more who affectionately called her their own. Her Godchildren, Kissha Smith Dennis (Quincy) and Kamisha Gaither, held a special place in her heart.

Among her dearest friends were Pamela Gaither, her loyal companion and "rider," and Lucy Brown, a lifelong friend. Carla's love also extended to several cherished families, including the Reed, Bah (Guinea, Conakry), Brown (Metter, Georgia), Ferguson, Payne, Webb, Gaither, Smith, Wright, Mapp, Necco, Montaque (Jamaica), and Lake families.

Carla Mae Webb was a woman of faith, love, and unshakable strength. She was a light in the lives of all who knew her and a guiding force within her family and community. Her memory will live on in the hearts of everyone she touched.
