

## *MARTHA McCAINE*

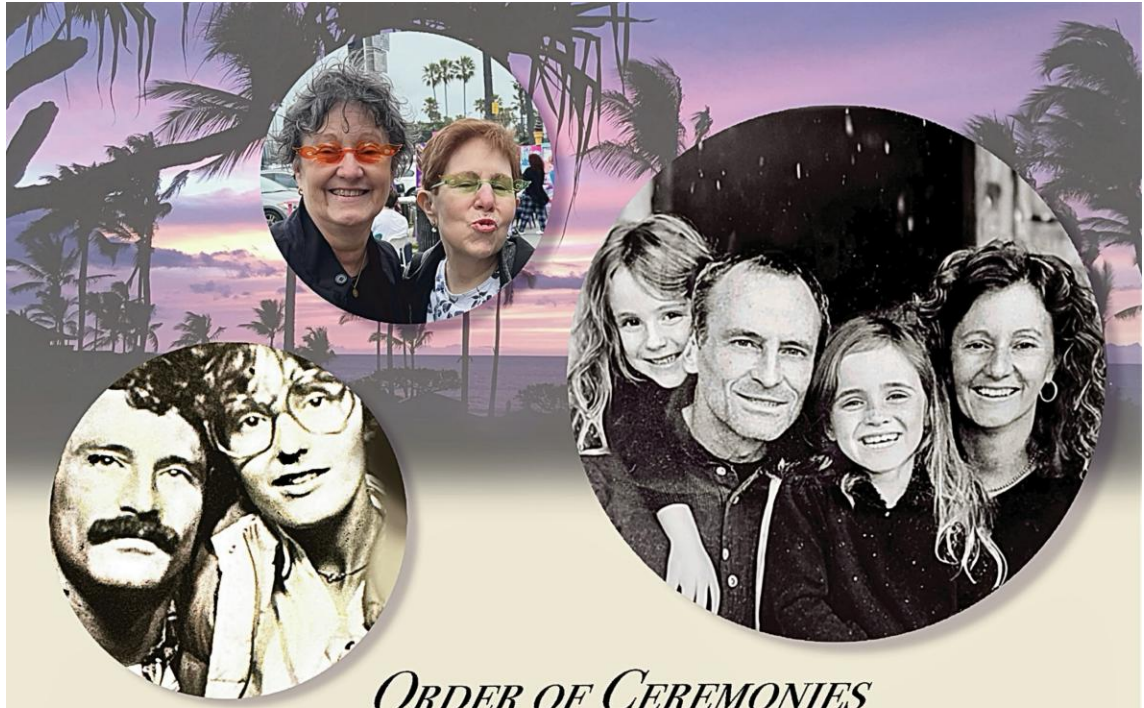

*DECEMBER 13 1957 - JUNE 22 2025*

### *OBITUARY*

Martha Gail McCaine was know to all as a caring friend, a loving mother, and a light in the lives of all who knew her. We all remember her laugh, and how it could brighten a room. The way she could tap dance to any song you put on. She was a beacon of joy and a shoulder to cry on. Martha was always there for those she held dear, and she continues to inspire those she touched. To her daughters, she was a compassionate mother, and a best friend. She went above and beyond what it took to keep her children happy. To her husband John, she was a life partner, and a loyal wife to the very end.

To her family, she was a loving daughter and sister. She made a point to reach out to those she cared for, even in her most painful moments. Her joy, whimsy, wisdom and strength will be dearly missed by all who knew her. Truly, she was one of those people who made the world brighter by being in it. We love you, Martha.
