

Gone Too Soon

**We weren't prepared for you to go
You were too full of life to be
Taken away from us so soon
It's still hard to believe**

**How much we'll miss your smile
And your laughter in our ears
Your absence leaves a hole in us
We're filling with our tears**

**You taught us how to be our best
To in the moment live
To never hold a grudge for long
And loyal friendship give**

**Your presence was a light and a joy
We never realized would someday end
Just like the brilliant falling star
That curved 'round heaven's bend**

**And though we cannot understand
The reasons God took you now
We'll do our best to accept this loss
To carry on somehow...**

**Focusing on you and your joy in heaven
More than mourning in distress
Smiling through our falling tears
Counting our time with you quite blessed**

**We will remember you forever
For you, our hearts will always have room
We loved you more than you will ever know
You left us far too soon!**
